IN MEMORIAM

The Day of Life

Have you ever been up in the morning
To watch the beautiful sun
Come up from the grounds of the eastland
To shine till the day is done?

Have you ever watched the sunset
When it lit the western sky,
And compared it to life's sunset
After busy years gone by?

Like the sunset of day, God made it,
To be beautiful, quiet and calm.
For after the sunset of life on earth
In heaven the soul goes on.

Harold E. Spaulding

SECTION 3. Any church found to be unfaithful to the faith and practices common to the Association shall be encouraged to correct such errors. If the conduct of said church is not corrected and is of such a nature as to alienate said church from the orderly and faithful churches of the Association, the Executive Committee of the Association can recommend that fellowship be withdrawn from said church, and upon a majority vote of the messengers in an annual session, fellowship with such church can be withdrawn.

PROCEEDINGS

SEVENTY-SIXTH SESSION
SOUTH MOUNTAIN BAPTIST ASSOCIATION
PISGAH and CARSWELL MEMORIAL

THEME: *TOUCHING LIVES AND GROWING CHURCHES*

Thursday Afternoon

An almost automatic quiet fell as the hour of 4:00 approache and the assembled delegates and visitors gathered in the sanctuar of Pisgah Baptist Church for the seventy-sixth session of the South Mountain Baptist Association. The quiet came with the soun of the gavel and the call to order by the moderator, Rev. Carrol Craig who presided over the opening session. He called attention to the theme "*TOUCHING LIVES-GROWING CHURCHES*". The group joined in singing the hymn "He Keeps Me Singing" with Rev. Harold Cantrel leading and Gail Ford as pianist. Devotions consisted of scriptu found in Exodus 17:8-16 and prayer by Rev. Jerry Hubbard. He urg us all to lift up the banner of the Lord and each other in prayer

Rev. Craig extended a warm and cordial welcome to messengers visitors, and agency representatives who would be introduced late

A motion for adoption of the program with privilege of chang if needed by the moderator as the agenda for the session was made the clerk. The group voted to accept the proposal.

Carrell Pruette as Director of Missions announced that cente of interest with display tables had been set up by the represent-atives of the various agencies and were conveniently scattered throughout the education building. He also publicized the new telephone number for the Baptist State Convention--1-800-222-8478

During the time for reports we were referred to printed info mation submitted in the Book of Reports by representatives who we present. We regret that some who had prepared reports were not able to be with us. Books of Reports will be given to churches t be used as resource material and will not be duplicated in the minutes. Copies should be preserved in the church library or resource center. Those reporting were the Annuity Board, Biblica Recorder, Executive Committee, Treasurer, Presentation of the Proposed Budget and South Mountain Baptist Camp. The only representatives who spoke concerning the reports were Delbert Walker who reminded us that the budget should be reviewed and tha it would come up for vote of approval on the second day and Rev. T.A. Lineberger who gave a brief 30 year historical review of the camps' attendance, decisions, and baptisms. He pointed ou the extended program would include missions, prayer and worship emphases. He urged financial and prayer support for the camp.

In the time of sharing of churches we heard reports from Mull's Chapel by Rev. Jerry Welch, Shoup's Grove by Rev. Tony Lan St. Paul by Rev. Joe Forbes and Zion Hill by Rev. Harold Cantrell

Although there were varying emphases on programs there were common grounds of achievement including revivals, V.B.S., spiritual and numerical growth and good Christian fellowship among the congregations. An amazing report concerned the elderly new converts and we rejoice over these decisions to follow Christ. There has been increased interest in training among members as well as teams of leaders for various phases of church work. We expect good results from concerned participation in training opportunities.

A treat in the afternoon program was a solo entitled "I'd Rather Have Jesus" by Rev. Harold Cantrell, accompanied by Jane Bradshaw.

An inspiring Missions Message was brought to us by the Rev. Kenneth Ridings, pastor of Grassy Branch Baptist Church, Asheville. In addition to serving as a pastor, Rev. Ridings serves as an instructor at Fruitland Bible Institute. Basing his message on scripture verses found in chs.2 and 20 of John, he spoke concerning the miracle at the wedding in Cana. The points of emphasis were the people present, the problem, the petition of Mary, the production of wine and the praise of the master of ceremonies and the postscript. He listed 6 implied discoveries in the miracle: (1)Jesus goes wherever He is invited,(2)His presence does not dispel joy,(3)Christ is very concerned about practical matters,(4)God is not to be manipulated,(5)God's blessings are obtained when we obey and (6)in God's economy the best is yet to be. We were urged to become even better Christians by drawing nigh to God and allowing Him to draw nigh to us. It was a most inspiring and provocative message.

Rev. Whisnant then gave instructions for the serving of the evening meal and urged that we use the time until 6 o'clock for viewing display materials and good fellowship. He concluded the session with the benediction/blessing.

A bountiful and delicious meal was served in the fellowship hall with seating arranged both inside and outside.

## Thursday Evening

We reassembled in the church sanctuary at 7:15 and had greatly enjoyed piano selections by Glenda Walker of Pisgah. Due to illness which prevented Rev. Darrell McGuire, vice moderator, from being able to attend and preside, Rev. Carrol Craig called the evening session to order and expressed gratitude on behalf of all those attending to Pisgah for the use of their facilities and for provision of food shared by Tabernacle and Zoar also. We are grateful for their gracious hospitality. The group, led by Rev. Harold Cantrell with Glenda Walker at the piano, joined in the hymn "I Stand Amazed in the Presence".

Rev. Cantrell presented the evening devotional, reading Eph. 6:12-20 which reminded us of the importance of putting on the whole armour of God in combatting the devil. He concluded with prayer.

The official church welcome of Pisgah was extended by Rev. Marvin Whisnant who also expressed appreciation to Zoar and to Tabernacle in graciously assisting them in the hospitalities enjoyed by everyone present.

Charles Tanner, Children's Home Representative, was recognize and three new pastors were presented: Rev. Harold Cantrell, Zion Hill; Rev. Carl W. Greene, Mt. Zion; and Rev. Ray Raymer, Philadelphia.

The Enrollment Committee reported a registered attendance of 138, 24 of whom were visitors and 114 serving as messengers from their respective churches.

With special permission T.A. Lineberger publicized 3 upcoming events at the camp as follows: open house at the retreat center Nov. 9 from 3-5 o'clock;a youth rally on Nov. 15 at 7:00 featuring a concert and message; and a meeting of the camp executive committe on Nov. 9 beginning at 2 o'clock.

State and Associational Agency Reports included State Mission the Childrens' Homes with Charles Tanner as speaker. He brought greetings from Dr. Blackwell and the 400 children to whom we minister. He informed us of the opening of a home for abused girls and the Theraputic Camping Center for Boys. He read a touching letter from a boy who had benefitted from the camp program. Our attention was called to the Stewardship/Cooperative Program Report in the Book of Reports by Delbert Walker. W.M.U. report time was given to Mary Ann Forbes who related her 2 years experience in working with Missions Friends training conferences in West Virginia It was most interesting and informative.

Rev. Jerry Welch as R.A. Director announced a Men & Boys Banqu scheduled for Nov. 21 at 4 o'clock at Berea with good food and a good program. An invitation was issued to churches having no organizations. Vickie Welch called attention to the V.B.S. report and emphasized VBS as a wonderful avenue for outreach. She urged early and careful planning for next year.

During miscellaneous business our D.O.M. Rev. Carrell Pruette related plans for disposing of 4 acres of land belonging to the association. Trustees have an offer of $8,000 from a prospective buyer. He also revealed options submitted to the Baptist State Convention in a 3 year plan seeking financial assistance for the D.O.M. and secretarial positions; and read a proposal presented to the Burke County Board of Education for acquiring the soon-to-be vacated George Hildebran Jr. High School for joint use of the Association and for community projects. Interest has been indicate in helping the association acquire the facility.

Church sharing included Beulah by Rev. Carrol Craig; Mt. Gilea by Rev. Lloyd Harris; Pisgah by Rev. Marvin Whisnant; Philadelphia by Rev. Ray Raymer and Zoar by Rev. Loyd Spencer. We rejoice with each church in its success and continued spiritual growth.

Special music by the Spurling family---a mother, daughter, and son(Aileen, Debra, and Darrell) lifted our spirits and added greatly to our enjoyment of the evenings program. Their presentati included "Jesus is all I Need" and "New Grace".

The annual message by Rev. Clyde Houston brought the evening to its climax as he read Matt.9:35 and following; dealing with the teaching, preaching, healing ministry of Jesus. He pointed out some areas of concern in our homes, schools, churches and community and emphasized the power of Jesus Christ in facing and overcoming each area of concern.

Giving a brief preview of the interesting program planned for tomorrow, Rev. Carrol Craig urged attendance at Carswell Memorial for the afternoon sessions beginning at 4 and then closed the meeting with a benediction.

Friday afternoon

As delegates and visitors assembled in the sanctuary of Carswell Memorial Baptist Church for the second day of the seventy-sixth annual session of South Mountain Baptist Association they enjoyed piano prelude selections by Stephen Sain. At 4 o'clock Rev. Carrol Craig sounded the gavel and called the session to order. His words of warm welcome were expressed to all messengers and visitors.

The program began with the congregation joining in the singing of the hymn "I Will Sing the Wondrous Story" with Rev. Harold Cantrell directing and Stephen Sain pianist.

There were no visitors to be recognized other than agency representatives:Carolyn Bunting, Christian Social Ministries; Donna Lail, Children's Homes; Mrs. Smoot Baker, Church Training; Kenneth Bates, Stewardship; and Jim Kirk, missionary to Brazil.

Scripture reading from Col. 1:1-17 and prayer by Rev. Ray Raymer of Philadelphia church served as our devotional meditations.

Minutes of the previous days program and activities were read by the clerk.

Reports were given as follows: Home Missions by Mavin Carswell; Foreign Missions by Rev. Joe Forbes, who relinquished his time to Jim Kirk who began by expressing greeetings from Brazilian Baptists and the Foreign Mission Board in his foreign language. He expressed regret that 1 out of every 5 church members were lost to the churches by not being involved and supportive. In our association only 64 out of every 100 members are involved in Sunday School, only 15 per 100 in Church Training, 16 per 100 in Music, and 17 per 100 in Mission activities. This indicates a need for revival in supporting church programs and a need for involvement of all who call themselves Christian. His message was most challenging.

Other reports called for and acknowledged were those on Christian Education; Public Morals and Temperance; Christian Life and Public Affairs and Building and Grounds. Reports on these matters were prepared and submitted by chosen representatives and are included in the Book of Reports. There was no report from the Director of Deacons.

Carrell publicized the work of the Seminary Extension Dept. and urged members to take advantage of study/learning sessions.

In the absence of representatives, reports on Sunday School; Church Training, and Evangelism were acknowledged and referred to in the reports submitted and included in the Book of Reports.

Mavin Carswell gave a special report on a planned tour to Disney World and Epcot Center planned for April 20-25 scheduled for a cost of $256 and available to church members until quota is reached. Cost covers travel, room, entrance fees including 1 day to Sea World and five meals. For reservations contact should be made to Rev. Carrell Pruette or to Mavin at 397-3319. This matter came under miscellaneous business.

In the time of sharing by churches we heard reports from Laurel Haven by Lela Hoyle; Mt. Zion by Sam Proctor; and Mt. Hebr by Shirley Taylor. We rejoice with these churches as they report activities, changes, and progress in many areas of activity and concern.

We were favored with special music as Stephen Sain and Rev. J.C. Bradley presented several duet selections with Blaka Bradley serving as accompanist. Their program included "Love is Why You and I Are Free" and "I'll See You in the Rapture".

A very stirring and challenging Moderator's address was give by Rev. Carrol Craig who chose as his scripture Micah 3:1-12. In his message entitled "What's Wrong With Our Churches" he concluded that the trouble was not with God's church but some thi were wrong with local congregations including our indifference to right and wrong; some ministers and church leaders being people pleasers; making career decisions rather than being God-called servants; liberalism in church matters rather than staying in the right way following God's word which is never pleasing to sinners; and our responsibility to represent God to the world rather than bringing the world into the church.

Prayer was given by Garland Pruitt, a deacon in Beulah Bapti Church.

Rev. J.C. Bradley, interim pastor of Carswell Memorial, gave instructions for restroom facilities and the serving of the eveni meal in the fellowship building. We were encouraged to spend tim until the dinner hour in fellowship and in viewing displays set up in various areas by convention representatives on various denominational programs.

Rev. Bradley pronounced the benediction/blessing and at 6 a most bountiful and delicious meal was served and enjoyed by every

## Friday Evening

As we gathered back in the sanctuary for the evening session we were again privileged to hear Stephen Sain in a medley of pian selections. At 7:15 the call to order was issued by Rev. Carrol Craig who presided over the program. He repeated the theme "*TOUC LIVES-GROWING CHURCHES*". The program began with the congregation singing "At Calvary" with Rev. Harold Cantrell leading and Stephe Sain as accompanist. Devotional thoughts based on scripture foun

in Eph. 4:1-16 were given by Rev. Lloyd Harris of Mt. Gilead, who after appropriate remarks, closed with prayer.

A warm and cordial welcome was extended to everyone by Rev. J.C. Bradley, interim pastor of the host church, who coveted the prayers of all in behalf of the church.

There were no visitors to be recognized and the enrollment committee reported 107 messengers and 40 visitors for a total attendance of 147 for the last sessions of the meeting.

Delbert Walker, Stewardship Chairman, brought up for adoption the Proposed Budget, copies having been distributed on the first day to allow ample time for review and possible changes. Upon his motion for adoption and a second made from the floor, the body voted to accept the proposed budget without change.

Delbert Walker presented an offer made to the trustees to purchase 4 acres of land donated to the association by the late Florence Hoyle. Delbert said it was his understanding that the offer was made to the trustees for $8,000. He then asked Carrell to inform the messengers of the trustee's actions concerning the sale of this property. Carrell pointed out that the trustees had given the family the first option to purchase the property. The trustees did not feel the offer made by the family was of fair market value. The trustees looked at the property and felt a minimum of $8,000 was fair market value. The trustees are asking for authority to sell the property for a minimum of $8,000 or are asking for other specific directions for disposal of the property. The annual meeting messengers last year gave the trustees authority to sell the property.

Loyd Childers made a motion to give the trustees authority to sell the land for a minimum of $8,000; Bill Clark seconded the motion. Rev. Robert Ford then asked how the trustees arrived at a figure of $8,000. It was pointed out that the offer to purchase had been received for $8,000. Rev. Clyde Houston questioned why we wanted to sell the property and of how the value of the property could increase if the association held on to it. Delbert Walker pointed out that previous property theft was a major factor in selling the property. We lost more by having the trailer there than we have gained. Rev. Clyde Houston questioned the possibility of building a parsonage on that property for the D.O.M. Carrell Pruette pointed out the theft problem again and that insurance was cancelled on the property because of these thefts. All committees in the association have determined that financially it would be better to sell this property and obtain property elsewhere. The moderator then pointed out that the association's office is now on leased property belonging to Beulah Baptist Church and we cannot depend on the leased property for future use or building onto it in anyway. If our association growth continues as it has in the past we'll have to move on for future growth, or we'll die as an association. Rev. Dennis Patton then pointed out that the vote was made last year to sell the property; now we should

be discussing the $8,000 offer, not whether to sell. There was no more discussion. The messengers then voted to accept the $8,000 as a minimum offer with no opposition.

Carrell Pruette then told the messengers that the trustees and he had been to the last Burke County Board of Education Meeti in October and presented a proposal to purchase the George Hildeb Junior High School for use by the association when it no longer houses the Jr. Hi. School. The trustees need authority to pursue negotiations with the Board of Education and County Commissioners to purchase this property. The matter of price will be the resul of negotiations between the Board of Education and the County Commissioners. He also pointed out that contrary to public rumor the property does have a clear deed. He also explained that the building is 24' x 326' and of block and brick construction plus paved parking and landscaping complete. The building has restroom facilities between each two classrooms. There is no way we can afford to pay fair market value for these buildings. No one know what it will cost to purchase this land but the trustees feel if we have to give fair market value for the land it would be a barg It is important that this annual meeting give authority to the trustees to act in the association's behalf in whatever negotiati that may develop between the trustees and the Board of Education concerning this property. Stephen Sain made a motion that we give the trustees that authority they need to act on our behalf to purchase this property. Gerald Sailors seconded the motion. Rev Robert Ford asked if by giving authority, were we giving the trus a blank check to purchase the property? The moderator pointed out,"If we have trustees to act on our behalf, should we not trust them to do what is best for our association?" The moderator then asked for a standing vote of all those in favor to give the truste the authority needed. There was no opposition. The messengers gave the trustees the authority needed to act for the association.

Delbert Walker, on behalf of the Committee on Committees, urg people to serve if contacted to serve on various committees. This acceptance carries some responsibility to serve in whatever capaci and to submit reports to the office on time.

The resolutions as submitted were read by Carrell Pruette, in the absence of Rev. Loyd Spencer.

Rev. Buren Hastings reported for the Nominating Committee, reading the names of officers named for the coming year. The installation was conducted by Carrell Pruette who read scripture and offered a prayer of dedication. He then presented certificate to members of the Assist Team.

Special certificates were presented to Gail Ford who resigned after several years of service as associational secretary to continue her educational pursuits and to Doris Upton who resigned aft 27 years of service as associational treasurer. She was given $100 as an appreciation gift for her long and dedicated service.

Rev. Carrol Craig as moderator appointed the Committee on

Committees as follows: Rev. Harold Cantrell, Rev. Jerry Welch, Rev. D. Rick Crouse, Jr., Two volunteers also were appointed: Stephen Sain and Jerry Buff.

Memorial thoughts and the reading of names of members lost by death in various churches were given by Vickie Welch. These thoughts were concluded with prayer.

Lucille Upton reported continuing efforts on behalf of the historical committee in assembling and preparing a 75 year history of the South Mountain Baptist Association.

Reports on church activities were given by: Abee's Chapel by Keith Lail; Berea by Rev. D.Rick Crouse,Jr.; Carswell Memorial by David Lewis and Stephen Sain; Mt. Vernon by Rev. Robert Ford; Walker's Chapel by Rev. Steve Parker; Pleasant Grove by Frank Henland.

The Evangelism Committee report was given by Rev. Steve Parker who made comments on the past years' achievements and informed all churches that an Associational Revival Crusade is being planned for the coming year.

We thoroughly enjoyed special music by a group from Abee's Chapel. The quartet members were Grant Lowman, Jill Lowman, Keith Lail, and Martha Shook. They were accompanied by Barbara Buchanan as they presented three selections entitled "I Feel Him Near Me", "At the Breaking of Day", and "Lean on Me".

The highlight of the closing session was the message by the Director of Missions. Carrell read John 20:19-29 and spoke challengingly concerning the Peace of God reminding us that peace could come when God comes into the hearts of individuals, churches, and nations. He urged Christians to go, pray, look, reach out, and touch. He urged us to see the hands of Jesus as working hands with a gentle touch, as praying hands with a healing touch, and as the hands of a servant ministering and supporting. He raised the question concerning our hands---What they will show us to be, tell of our lives, how they will identify us in relation to God's Kingdom work?

On this high note of challenge and self-evaluation the meeting was closed with benediction by Rev. Buren Hastings.

With good fellowship, challenges, and friendly good-byes the messengers departed to their various churches to begin a new year of work in God's vineyard.

PROCEEDINGS

SEVENTY-SEVENTH SESSION
SOUTH MOUNTAIN BAPTIST ASSOCIATION
ZION HILL and ST. PAUL

THEME: *TOUCHING LIVES AND CHANGING PEOPLE*

Thursday Afternoon

Continuing the broad emphasis of Committed to Ministries, the 77th Annual Session of the South Mountain Baptist Associat chose as the theme "Touching Lives and Changing People". Pric to the actual opening, messengers and visitors from the differ churches were registered, given programs, Books of Reports and other literature as they entered the vestibule.

The rap of the gavel in the hand of Rev. Carrol Craig, th moderator, signaled the beginning of the session with the call to order of all those assembled in the sanctuary of Zion Hill Baptist Church.

As presiding officer he greeted all those present and wel comed them. He then recognized Rev. Harold Cantrell who led t group in singing "We're Marching To Zion" with Mrs. Coleen Sai as the pianist.

Rev. Gene McHargue, new pastor at Wilkies Grove led the devotional time using scripture from Nehemiah 2: 11-18 as a challenge to everyone to see the job that needs to be done and then do it. He concluded with prayer.

Rev. Carrell Pruette, Director of Missions, welcomed and presented the Agency Representatives who had displays of mater set up in various church rooms and who would be available for meeting and discussion of their services and materials with in ested persons during the dinner intermission.

The move for adoption of the agenda was made by Lucille U Associational Clerk. The registration committee members: Rub Chapman, Lona Willis, Rita Davis, and Mary Cantrell were recog for their valuable service in distributing programs and provid name tags. To further promote the feeling of friendship a mom was provided for hand shakes and exchanging introductions.

Carrell Pruette then informed us that limited quantities the Book of Reports had been provided for each church. These designed to be used during the session and then retained in th church libraries for future reference since the information in cluded will not be duplicated in the minutes.

Rev. Marvin Whisnant presented the Annuity Board report, pointing out new provisions, and then moved adoption.

Reports on the American Bible Society and Biblical Record were submitted for adoption. Rev. Robert Ford, new chaplain f the Frye Regional Medical Center, reported briefly on his duti and plans for improving and expanding this ministry. He had a booth from which he distributed cups and reduced-rate meal tic for pastors who minister to their members in the center.

As reporter for Christian Education, Rev. Ford moved the adoption of his report on our denominational colleges.

The Missions Committee report was presented for adoption y Rev. Marvin Whisnant.

The actions of the Executive Committee during the three uarterly sessions were recorded and submitted for adoption by he clerk.

The Constitution and By-Laws Committee is proposing several hanges which were presented and publicized so that proper con- ideration can be given prior to voting action tomorrow. These hanges are included in the report and were presented verbally y Rev. Marvin Whisnant.

During the time allocated to Miscellaneous Business it was oted that we were lacking three church letters and that churches hould be represented on the Executive Board by the pastor, hairman of the deacons and two elected representatives. It is mportant that these people be named and meet at the regularly cheduled business meetings of the association to have a voice n the associational matters.

Carrell Pruette then informed us of action by the Trustees n disposing of property given to the association by the now isbanded Macedonia Church. The land located on Highway #10 ill be sold for $6,000 and in complaince with requests of the ormer members. The money will be used now but an equal amount ill be designated later for mission use.

The Trustees made a bid of $38,500 for the George Hildebran unior High School being disposed of by the Burke County Board f Education. This was the lowest appraisal bid and has not been aised by an upset bid. This property will become the future ite of the associational office and will make possible increased inistry activities. The action of the Trustees in this matter ill come up for vote on the second day.

T.A. Lineberger was recognized and given a few moments to ublicize the new ministry program at South Mountain Baptist Camp. he new program of Intercessory Prayer is being carried on and essengers were urged to submit prayer requests and join the rayer project.

In presenting the Treasurer's report Ruby Chapman noted hat the financial reports included figures through June, 1987. his makes a 10 month year until we get on a quarterly fiscal alendar year which will next year be a regular 12 month finan- ial reporting period. She called attention to certain figures ncluding receipts and disbursements. The printed information s included in her report.

The proposed budget 1987-88 prepared by the Finance Committee s included in the Book of Reports and should be reviewed prior o adoption tomorrow. The requirements is that the budget be ntroduced the first day and after any questions and answers for larification be offered for adoption the second day.

Tommy Lineberger, as general manager, presented for adoption he report of the South Mountain Baptist Camp. He informed us hat the camp belong to ten associations, that there has been a e-organization of personnel, and that the camp has become in- reasingly popular as a Retreat Center.

During the time of sharing by the churches we heard from the following: Rev. Lloyd Harris, pastor of Mt. Gilead, Shirley Taylor from Mt. Hebron, Ola Mae Gantt from Mt. Vernon, Rev. Jerry Welch, pastor of Mull's Chapel and Rev. Marvin Whisnant, pastor of Pisgah. Although each church program is unique there are common areas of achievement such as revivals, baptisms, improved facilities, debt retirements, projects completed or undertaken, and increased contributions. The main point of emphasis was visitation, soul winning and sharing the gospel ministry and the churches are to be commended for spiritual interests.

T.A. Lineberger shared information on a special spiritual outbreak on the final day of the South Mountain Camp activities.

Several churches scheduled for the night program chose to share in the afternoon session. These churches were Zoar with Rev. Loyd Spencer and Faith Olive with Rev. Larry Cain as new pastor. Rev. John Glover who recently celebrated his 90th birthday and is still active in the ministry was given special recognition.

A high light of the program was special music in the form of a solo performance by Dale Sain whose selections included "Peace Be Unto You" with tape accompaniment and "Who Will Go And Work For Me" with Mrs. Coleen Sain as pianist. This was most inspiring and uplifting.

The mission message was brought by Rev. John S. McGee for thirty-three years a missionary to Nigeria and now a professor at Fruitland Bible Institute. His was a most inspiring testimonial as well as a mission challenge to all who heard him. His special quotes for emphases were: "What we need is not more education but more motivation", "He who thinks he is already there will never start", and "God will use those who are usable' Pointing to his ministry among Africans where he baptized 7,000 individuals, puts us to shame for our lack of concern and limite support of missions.

His message was the climax of the afternoon program after which Rev. Cantrell gave instructions concerning facilities and the serving of the evening meal. He concluded the session with the benediction/blessing and a bountiful and delicious meal was enjoyed in the Fellowship Hall. This was a time of good Christian fellowship.

## Thursday Evening

At 7:15 P.M. Rev. Darrell McGuire, vice-moderator, sounded the gavel and presided at the evening session. The congregatio joined in singing "Standing On The Promises" with Rev. Cantrell leading and Coleen Sain as pianist.

Scripture reading from James 1: 19-27 along with comments and prayer by Rev. J.C. Bradley were our evening devotional reading.

The formal welcome to both messengers and visitors was extended by Rev. Harold Cantrell and Rev. Jerry Welch whose churches co/hosted this session of the annual meeting.

Two new pastors, Rev. Larry Cain, pastor of Faith Olive and Rev. J.C. Bradley, pastor of Carswell Memorial who was serving as interim and voted to regular pastor since last year's session, were recognized.

The enrollment committee reported a registration of 115 messengers and 55 visitors for a total of 170 in attendance. Ruby Chapman expressed appreciation to Lona Willis, Rita Davis and Mary Cantrell for their valuable assistance.

Reports on Foreign Missions, State Missions, Children's Homes, Inc., Stewardship/Cooperative Program, W.M.U., R.A.'s, and Vacation Bible School were presented by representatives of each phase of our work. Each person emphasized special achievements and moved adoption of their particular report.

Other reports prepared and submitted with no representation were: Home Missions, Baptist Hospital, Retirement Homes, Inc., Youth Council and Brotherhood. Information of these reports is available in the Book of Reports.

The sharing of the churches included: Carswell Memorial by Rev. J.C. Bradley, Laurel Haven by Rev. Clyde Houston, Shoup's Grove by Joe Crotts and Zion Hill by Rev. Harold Cantrell.

A special treat of music was presented by Becky Hyde, soloist, who with tape accompaniment and pianist Mike Kirby of Gardner-Webb College, sang three numbers: "It's Your Song, Lord", "I Walked Today Where Jesus Walked" and "People Need The Lord".

The associational message was brought by Rev. Stanley Brittain pastor of Hildebran View. The scripture reading from I Peter 1: 1-12 served as a basis for his message which inspired and challenged us to recognize and treasure our salvation, and to be active in sharing and telling others about God.

Appreciation was expressed to all who helped to make this session of the annual meeting a success and visitors were recognized in the evening session.

Following a brief preview by Rev. McGuire who pointed out highlights of the second day's sessions to which all were invited the evening program was closed with the benediction by Rev. Dennis Patton pastor of Mt. Hebron.

## Friday Afternoon

The sanctuary of St. Paul provided a lovely setting for the 4 o'clock session of the second day's meeting of the South Mountain Baptist Association. Rev. Darrell McGuire, vice-moderator, sounded the gavel to call into session the messengers and visitors assembled for the program and business.

The opening hymn "Praise Him, Praise Him" was sung by the congregation beautifully and spiritually as Rev. Harold Cantrell led and Jane Bradshaw served as pianist.

The afternoon devotional led by Rev. Carl Greene consisted of responsive reading entitled "The Holy Spirit" with brief comments and prayer.

T.A. Lineberger was granted special priviledge to speak on worship emphasizing a program begun by the South Mountain Baptist Camp designed to deepen the worship experience of campers. He sang a praise medley used to promote an attitude of worship with boys and girls. He publicized the Intercessory Prayer project being promoted with October 21 as the beginning date. Camp reports and prayer bulletins will be distributed.

A warm welcome was extended and visitors were recognized by Rev. Carrell Pruette. The following agency representatives who were available for consultation at the displays they presente were introduced: Rev. Steve Parker represented Fruitland Baptist Bible Institute in the place of Alex Booth who could not be present because of a family death; Jesse Bailey represented the Annuity Board; Lewis Gentry represented the Sunday School Board.

The minutes of the previous day's program were read by the associational clerk.

The time allocated to reports included these: Christian Action League by Rev. Rick Crouse; Christian Life and Public Affairs by Rev. Jerry Welch who shared information since his report came too late to be included in the Book of Reports; Nominating Committee by Rev. Buren Hastings, who after reading the recommendations, placed in nomination officers for the coming year and received a second for his motion.

The Seminary Extension program was presented by Ruby Chapman who publicized current classes and urged greater participation by pastors and laypersons.

During his Sunday School report, Rev. Crouse commented and announced a workshop by state leaders tenatively scheduled in January for church leaders.

The report of Rev. Jerry Hubbard on Church Training included an urge for growth and improvement of the Church Training program in the local church.

The report on Evangelism by Rev. Steve Parker was called to our attention without comment.

The time for miscellaneous business was taken by Rev. Carrel Pruette to clarify some misunderstanding on church representation at annual sessions. Reading from the constitution of the association we were informed and reminded that the pastor must be included in the number of allocated messengers and that 10 (ten) representatives is the maximum for any church.

The sharing of the churches brought interesting reports from Abee's Chapel by Rev. Buren Hastings, Corinth by Rev. Jerry Hubbard, Mt. Zion by Mr. Sam Proctor, St. Paul by Rev. Joe Forbes, Walker's Chapel by Rev. Steve Parker and Wilkies Grove by Rev. Gene McHargue. There were several areas of common interest and achievement and some churches had special projects of interest among members.

Special music by Rev. Harold Cantrell with Jane Bradshaw as accompanist consisted of a solo presentation of two numbers entitled "Born To Serve The Lord" and "There's Something About That Name". This inspiring rendition set the spiritual stage for the climax of the afternoon session.

The moderator's address was given by Rev. Carrol Craig. His reading of scripture from Acts 1: 6-11 with prayer by Garland Pruitt opened his message. His point of emphasis was our responsibility to be witnesses for Jesus. He urged us to cease worry about the future by realizing that God is in control and that if we yield to God's will. He will assure us that through His spirit "Ye shall be...". He reminded us that witnessing is more a priviledge than a duty or obligation and our effort should be directed toward Jesus rather than ourselves with our main concern being directed toward the person, the place, the power. He concluded his moving message with prayer.

Rev. McGuire expressed thanks to St. Paul for their facilities and hospitality. Rev. Joe Forbes was recognized and he gave directions to rest facilities and instructions for the serving of the evening meal, dismissing us with the benediction/blessing.

We then assembled in the Fellowship Building where a most bountiful and delicious meal was enjoyed by everyone and a good time of fellowship was part of the dinner intermission.

## Friday Evening

At 7:15 P.M. the sound of the gavel by Rev. Carrol Craig called the evening session to order. The congregation joined in singing the hymn "Higher Ground" with Rev. Harold Cantrell leading and Jane Bradshaw as pianist.

Rev. Craig was generous in expressing appreciation to St. Paul for the good food and hospitality. His comments voiced the same feeling of all messengers and visitors.

In the absence of Rev. Darrell Saunders, scripture and prayer for evening devotionals were given by Rev. Carrell Pruette.

Rev. Joe Forbes, host pastor, was afforded the pleasure of officially welcoming all those in attendance and expressing appreciation to members of his church for their contribution and support in helping to project the church's hospitality and friendliness.

As Enrollment Committee chairman, Mary Ann Forbes reported a total registered attendance of 144, 92 being messengers and 52 visitors. She expressed appreciation to Paula Brackett, Waynette Earl, Lori Buff and Natalie Goforth who helped her with registration.

Reports consisted of the following, each of which is included in the Book of Reports: Committee on Committees by Rev. Harold Cantrell; Constitution and By-Laws by Rev. Marvin Whisnant, who had presented proposed changes on Thursday. When he reviewed the

proposals the changes were accepted by a favorable vote. These changes will be incorporated in the constitution for future reference and direction of activities.

Resolutions were presented by James Mauney. The Time, Place and Preacher report by Rev. Jerry Welch informed us that the 1988 sessions would be hosted by Walker's Chapel and Mt. Hebron with Rev. Howard Wilson as speaker.

The installation service was conducted by Rev. Carrell Pruette who, after asking nominees to come forward, presented a challenge to both officers and messengers and closed with a prayer of dedication.

Rev. Carrol Craig then announced the appointment of members to the Committee on Committees as follows: Harold Cantrell, Ray Raymer, Garland Pruitt, Gene McHargue and Delbert Walker.

The memorial thoughts consisted of the reading of names of those deceased from each church, a moment of silent pryaer and the closing prayer by Mary Ann Forbes.

As chairman of the Historical Committee Lucille Upton asked for any information such as pictures, stories or history of individual churches which would supplement and enrich annual information used as a basic source of Associational history.

In presenting the budget for adoption, Delbert Walker reviewed proposed changes which were presented on Thursday to allow time for study and consideration with questions for clarification should any arise. He reminded us that the financial church year would extend from July 1 to June 30 so as to comply with the tax and quarterly fiscal reports used by the government and banks. The vote showed unanimous acceptance.

Rev. Carrell Pruette reported that trustee action included submitting a bid of $38,500 for the George Hildebran School facili which was accepted on Oct. 5. Terms required a 5% downpayment with a 90 day limit for complete payment. He expressed appreciation to the trustees for their negotiation efforts and stated that the low bid option was based on appraised value. He also reported that the Associational property on Rhoney Road had been offered to Leonard Huffman for $7,500, but that there would be some cost involved in resurveying to establish land marks for boundaries. The three acre plot of land on Highway 10 given by the now disbanded Macedonia Church would be offered for sale for $6,000. If purchased the sale money will be applied to the purchase of the George Hildebran property. There may also be a small water payment involved in the G.H. property. Mr. & Mrs. Johnny Hildebran have offered loan money at a rate of 1%-2% below current interest rates. Any special offerings by churches or individuals would be appreciated and accepted. Five area meetings are being planned to help inform the churches of the property purchase, plans, and financial involvemen

A motion by Evan Rhoney of the Board of Trustees would authorize the sale of the Macedonia property and the signing of the purchase loan which will be required in 90 days with the amount borrowed being determined by possible property sale foreclosures. If sale of the sites are delayed beyond the time limit, the amount receive

will be turned in on the borrowed principal. There was a second and a vote of acceptance.

Special music by the St. Paul Quartet, composed of Jane Bradshaw, Max Cook, Ricky and Pat Blanton, consisted of three numbers entitled: "It's Enough", "The Ground is Level", and "Good for Me". By special request we were favored with a fourth number "Lean on Me". Their rendition was beautiful and inspiring and added greatly to our overall enjoyment of the evening program.

Rev. Carrol Craig expressed appreciation for the privilege of serving as moderator for the past two years. He relinquished the gavel to Rev. Joe Forbes, incoming moderator.

The concluding feature of our annual session was the message by Rev. Carrell Pruette, Director of Missions. His scripture emphasis was taken from Psalm 127:1-"Except the Lord build the house, they labor in vain that build it." His stirring and challenging message urged our working in the will of God and with dependence on Him for leadership and guidance. He also used verses from II Chronicles 2:7... to further emphasize the theme.

At the conclusion of this presentation the group was dismissed with the benediction by Rev. Steve Parker. Both messengers and visitors bid each other good night and God-speed, agreeing that the two day session had been both beneficial and enjoyable.

## RESOLUTIONS COMMITTEE

The Resolutions Committee would like to express our thanks to each individual who has prayed for and supported your association during this year. We are grateful for the presence of Almighty God and for His divine leadership in our churches. Our pastors, officers and leaders have given unselfishly of their time energy and prayers to make this a good year for our association.

To our Director of Missions, Rev. Carrell Pruette, and to our associational secretary, Mrs. Ruby H. Chapman, special thanks for their sincere efforts in going beyond the call of duty for our association. We are also grateful to the various organizations who presented displays for our people to catch a vision of ministries sponsored by your convention. We would like to express our thanks to the host and co-host churches who provided the excellent meals and facilities for our annual meetings. Zion Hill and Mull's Chapel served as host and co-host on Thursday St. Paul hosted our Friday sessions. To all the ladies and gentlemen from these churches who helped in anyway; God bless you for providing two wonderful meals. To the other churches who assisted with tables and chairs, we appreciate your cooperation. Also, we want to express our thanks to those people who assisted in registration and with our Book of Reports.

During our new year let us strive more for unity in our association and lend a helping hand when needed.

**I CAN ONLY DO SO MUCH.**

But, together, we can do so much more!

Churches in association freely join together to do certain things together. Because of this relationship, individual churches grow, mature, become. And, the churches in association become unified and strengthened. On mission together, churches grow together.

PROCEEDINGS

SEVENTY-EIGHTH SESSION
SOUTH MOUNTAIN BAPTIST ASSOCIATION
MT. HEBRON BAPTIST CHURCH

Afternoon

At 4:00 o'clock in the sanctuary of Mt. Hebron Baptist Church, Rev. Rick Crouse sounded the gavel calling to order the annual session of the South Mountain Baptist Association. The meeting opened with the group joining in the hymn "I Stand Amazed In The Presence" with Rev. Harold Cantrell leading.

Devotional thoughts based on scripture from II Timothy 2:1-4 were given by Rev. Jerry Hubbard of Corinth. He urged us to be good soldiers and endure some hardness. He reminded us that God's grace is sufficient to carry us through as individuals and an association among whom he urged unity. Prayer closed the devotional period.

A welcome was extended by Rev. Dennis Patton of Mt. Hebron to both messengers and visitors. He also gave directions for facilities.

Rev. Rick Crouse read a statement from some associational officers recommending a one day session (rather than traditional two) and noting that a 2/3 vote would be needed to change the constitutional schedule. A motion by Rev. Gene McHargue and a second by Jerry Hubbard led to a favorable vote.

Rick Crouse named Garland Hendricks to serve as parliamentarian for the session.

Brief oral reports were given by Rick Crouse on Sunday School, and Jerry Hubbard on Church Training, and Harold Cantrell on Music. Missing from the agenda were reports from W.M.U., Brotherhood, VBS, Building & Grounds, Constitution/By-Laws, Evangelism, Missions, Nominating Committee, Ordination, and Resolutions.

It will be necessary to elect some officers in the evening session. J. C. Bradley spoke briefly on Seminary Extension and T. A. Lineberger represented the South Mountain Baptist Camp. Other committee reports omitted from the program were Time, Place, Preacher - Trustees - Youth Council - Annuity Board - Retirement Homes - Christian Life & Public Affairs - Foreign, Home, & State Missions. Speaking but submitting no written information for minute recording were: Christian Action League-Rick Crouse, Christian Education-Gene McHargue. The only recorded information was the Baptist Hospital report by Rev. Tony Land.

The stewardship report was prepared by Delbert Walker and prepared copies were distributed.

A partial list of members for Committee on Committees was prepared by Harold Cantrell who moved for acceptance with a second by T. A. Lineberger. The group voted to accept the report with vacancies to be filled at the next Executive Committee Meeting.

Ray Raymer shared copies of the Treasurer's report which was accepted by the body.

Gene McHargue reported on recommendations from the Fact-Finding Committee at the August 28 special called meeting concerning the associational office and property. He moved adoption with Lena Hoyle seconding his motion. He proposed the naming of a committee to be selected by the delegate assembly. Those named were Loyd Workman, Chairman of the Building & Grounds Committee; two pastors - Gene McHargue and Clyde Houston. As a realtor, Harold Cantrell recommended Caldwell representative, Mrs. Kay McDowell and Dennis Patton recommended Rex Lail of Wilkies Grove as Building Contractor. The group voted to accept the recommendations when a motion was made by Gene McHargue and a second was made by Larry Cain. The group was to name their own chairman and Gene McHargue offered to get the committee together within two weeks.

Harold Cantrell offered the recommendation that the treasurer be bonded for $25,000 with a motion to accept by Bill Clark and a second by T. A. Lineberger. Delbert Walker presented the possibility that the associational insurance covered the bonding, but Ray Raymer checked and found that bonding was not covered by the present insurance but would cost $85.00 per year. Gene McHargue questioned the possibility of limited bonding and the copy reviewed by Ray Raymer showed we have coverage.

Ray Raymer recommended the re-location of the associational office to a room at Berea Church. A motion by Darrell McGuire with a second by J. C. Bradley opened the floor for questions concerning schedule and hours, possible hiring of secretarial help, travel distance for some churches, other more centrally located facilities possibly at the South Mountain Baptist Camp. The final decision will be made with approval by the Executive Committee. A recommendation was made that a secretary be secured for a minimum of 10 hours with applications to be submitted to the Missions Committee. Back to the original motion to move the office to Berea, a motion by Jerry Hubbard a second by J. C. Bradley and a vote of acceptance.

The clerk requested the submission of late church letters and the verification of minute requests from certain letters from which information had been omitted.

Due to the fact that all but one report was not submitted to the clerk for inclusion in our annual, Gene McHargue offered to contact persons responsible for report in an attempt to get information for inclusion in the minutes.

Copies of the proposed budget was given by messenger Delbert Walker, Finance/Stewardship Chairman. He reminded us that due to only one day session we would need to waive the constitution and vote on the budget today rather than the second day as designated. A motion by Jerry Hubbard with a second by Larry Cain granted this waiver. Not included in the actual budget, but printed at the bottom of the report were figures concerning projected property payments. Rev. Carl Greene raised a question

which led to an amendment by Dennis Patton that the projected payment be deleted until a report be submitted by the committee. The group voted for deletion when Carl Greene, looking at the budget, raised questions about meeting our budget for the year. Ray Raymer, Treasurer, could not quote available figures but promised information by the evening session. Delbert Walker assured the group that we had always managed to meet our budget, that the property value is included and does not necessarily depend on money in the bank.

Darrell McGuire questioned the effectiveness of the Pine Mountain Resort Ministry for which we receive $1500. from the State Convention and to which the association contributes $900. Tony Land requested information but no representative from the Missions Committee was present to answer questions. A motion by Danny Hildebran with a second by Tony Land would cancel the ministry but a proposal was offered to delay action until the Missions Committee report could be received. Rev. Carrol Craig brought to our attention that the association had already accepted the ministry for the upcoming year and funds had been requested. This information led to a motion by Jerry Hubbard with a second by Lena Hoyle not to strike the Resort ministry and was accepted. The vote to cancel, brought comments by Dennis Patton who proposed that the new Missions Committee be charged with the specific task of reconsidering and evaluating the work and reported back to the assembly by next year after meeting with Mt. Gilead. His motion seconded by Tony Land was approved.

The moderator recognized Barbara Lail, a representative of Mothers Against Drunk Drivers who spoke about the organization, distributed red ribbons to be tied on "church" vehicles, and publicized a candlelight vigil to be held on the old Burke County Lighthouse grounds to commemorate memories. Pastors are available for the December 5 event and people are urged to support the meeting despite the conflict with the Week of Prayer for Foreign Missions.

Betty Hooks from the Broughton Hospital made a plea for involvement as volunteers and furnishing money to help provide for personal needs, holiday and outing events and ward decorations for the 2200 patients.

Harold Cantrell led the group in singing "The Solid Rock" with Susan Abernathy of Mt. Hebron as accompanist.

In the absence of James Bumgarner, Rick Crouse gave the message for the afternoon basing his thoughts on scripture from Exodus 17:8

Garland Hendricks was recognized and he introduced to the assembly Dr. Wyan Washburn a retired doctor of Boiling Springs.

Rev. Dennis Patton was recognized to give instructions for serving the evening meal. After returning the benediction / blessing we proceeded to the church fellowship hall where a delicious and bountiful meal was enjoyed and a good Christian Spirit prevailed.

## Evening

We reassembled at 7:30 in the sanctuary for the evening session. The meeting was called to order with Rick Crouse presiding. After welcoming the group, the congregation joined in singing "Amazing Grace" to the tune of "There is a Name" with the chorus of "O, How I love Jesus".

Using scripture from I John, Charles Lewis gave devotional thoughts. The Enrollment Committee reported 111 messengers/32 visitors for a total of 143 in attendance.

Rev. Tony Land was named to replace Danny Hildebran as chairman of the Committee on Committees. On behalf of the Resolutions Committee appreciation was expressed to the church for its generous hospitality to guest speakers who appeared on the program. No report was forthcoming from the Time, Place, Preacher Committee but some decisions will have to be made prior to the next session.

The Moderator proceeded to appoint the Committee on Committees naming as members: Brady Burns, Denny Harbinson, Don Willis, Frances Melton, Gene McHargue, Dennis Patton.

The memorial service conducted by Mrs. McHargue included the reading of names of the deceased from the various churches with names to be added from late letters submitted by churches. A moment of silence in memory and prayer by Rev. Don Willis who remembered families and churches who suffer loss.

Rick Crouse introduced Bobby Stafford from the State Baptist Convention who brought greetings and expressed appreciation for work done by the churches and offering his services to any congregation needing him. He brought greetings from Roy Smith and urged support of the association and State Convention in a challenging evening address. He urged securing an Interim Director of Missions.

A reminder by Delbert Walker that no report had been submitted by the Nominating Committee resulted in the election by acclamation of the following officers: Rick Crouse, Moderator - Harold Cantrell, Vice-Moderator - Lucille Upton, Clerk - Ray Raymer, Treasurer.

As a result of Stafford's suggestion, Gene McHargue made a motion that the Missions Committee find and be authorized to hire for six (6) months an Interim Director of Missions with the persons considered be from an outside association. A second led to approval.

Garland Hendricks spoke on the new annuity program.

Delbert Walker announced a meeting scheduled for April 13 at Berea with Ken Batts leading a workshop on church/associational finance and open to representatives of any church. He urged participation.

Following an expression of appreciation for attitude and the hospitality of the host church, Rick Crouse asked that three (3) persons be allowed to work in arranging for the next annual meeting, the meeting closed with the benediction by Rev. McDowell.

## STEWARDSHIP REPORT
## 1988

I attended the Key Leadership Conference at Ridgecrest; it was a good session.

We held a Stewardship Conference at Berea Baptist Church on April 14, 1988. Supper was prepared and served by the ladies of Berea Church, who did a wonderful job. All of the eighteen persons who attended the supper sure did enjoy the meal.

There were five churches represented with seventeen people present from those churches. Talmage Williams of the Baptist State Convention led the conference. All those in attendance were well pleased with the leadership of the person who led the discussion.

It is my prayer and hope that all of our churches will come to realize that without stewardship, what would our church be, or what kind of work would be done in our churches? We need more members of our churches to become faithful in giving of their time, effort and talent, abilities and training to do God's work as He gives those of us who are committed to do His will the strength to do His work.

Respectfully Submitted,
Delbert Walker, Director

## COOPERATIVE PROGRAM
## 1988

Our gifts to mission causes through the Cooperative Program have been outstanding again for this great Association of ours. Each person who is a member of a church which is a member of this association, chooses to be a member by choice the different churches choose to be a member of the association.

From January 1, through June 30, 1988, the churches of this association have contributed through the Cooperative Program in the amount of $41,361.00. This is great and it is my belief that each person could have given more by just a little more effort. It is exciting to hear what our missionaries' work is all about and what each one is doing on the mission field to which they are called.

Respectfully Submitted,
Delbert Walker, Director

## SEMINARY EXTENSION REPORT
## 1988

Southern Baptists are committed to education, especially the education of persons preparing for service in Christian ministry. The South Mountain Baptist Association shares that commitment and has established a Seminary Extension Center open to all persons

who wish to equip themselves for a more effective ministry (remember, God calls all born again Christians to minister for Him whether in Sunday School as a teacher or a choir member or the minister, etc.).

Two convictions underline the growth and development of Seminary Extension in our association. 1. In today's world, every minister must continue to learn as long as he is active in the ministry of God's word. The individual who stops learning immediately loses his effectiveness. 2. Every minister, regardless of the level of formal education completed, should have equal opportunity to receive theological training. The Seminary Extension Center in our association is committed to being an instrument for making this learning happen to anyone who is interested in enrolling.

Our Seminary Extension Center is grateful to Rev. Robert Rownd, our instructor, who comes to our center weekly to instruct our students in Seminary Extension classes. In addition to being the instructor in our association, Rev. Robert Rownd is an instructor in the Catawba River Seminary Extension Center, on the staff of Fruitland Bible Institute and pastor of Abee's Grove Baptist Church of Valdese. Thank you, Rev. Rownd, for the hours you have devoted to our Seminary Extension Center and to the pastors and lay persons enrolled in our center.

The Seminary Extension Center has just completed classes in systematic theology and the study of the New Testament, the Gospels. We have had an average of six (6) students enrolled in these courses. Eighteen (18) quarter hours are required for each subject studied. Congratulations to each person enrolled in our Seminary Extension Center for completion of another course. Many hours of effort have been put forth by you to attend the Seminary Extension Center classes. Without you, we could not have a Seminary Extension Center in our association.

Special thanks to Carswell Memorial for allowing us to use their church facilities for our last classes.

Respectfully Submitted,
Ruby H. Chapman, Chairman

## NORTH CAROLINA BAPTIST HOSPITAL REPORT
## 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition in the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs...as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659.062 through the Cooperative program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully Submitted,
Tony R. Land

PROCEEDINGS

SEVENTY-NINTH SESSION
SOUTH MOUNTAIN BAPTIST ASSOCIATION
WALKER'S CHAPEL BAPTIST CHURCH

Afternoon

On Thursday afternoon at 4:00 p.m. on October 12, messengers and visitors gathered in the sanctuary of Walker's Chapel Baptist Church for the 79th annual session of the South Mountain Baptist Association.

With the sound of the gavel, Rev. Rick Crouse called the meeting to order. As presiding moderator, the meeting proceeded as he recognized Rev. Harold Cantrell and announced the opening hymn. Rev. Cantrell led the group in singing the hymn "Onward Christian Soldiers" with Adene Hicks serving as pianist.

Devotional thoughts were presented by Rev. Carrol Craig who read for our contemplation the entire chapter of I Corinthians 13 and concluded with prayer.

Rev. Burl Sain, interim pastor of Walker's Chapel extended a warm and cordial welcome and gave directions for church facilities. Noting necessary changes in the agenda, Rev. Crouse presented the following proposals: that there be discussion concerning associational finances; with no previously named Nominating Committee, we must seek and elect officers for the coming year; and that we name members of both a Nominating and Missions Committee. With these proposed amendments, Rev. Tony Land offered a motion, and with a second for adoption of the agenda, the vote was acceptable.

The financial report as presented by Rev. Ray Raymer was accepted upon a motion and second by Rev. Carrol Craig and Gene Huffman.

Rev. Raymer offered a recommendation that payment be stopped on a check for $75.00, issued to Rev. Carrell Pruette, if not cashed within 10 days after notification. The check was to cover costs for refiguring income taxes due to an error of the treasurer in reporting to the IRS Carrell's income. The objection to accept the check concerned an endorsement clause which would acknowledge payment in full of the requested funds and release of the association and treasurer from further liability. Carrell was reluctant to endorsing the check since it inferred an unjust claim and requested that a new check be re-issued without the endorsement clause. The decisions to include endorsement statement was the opinion of the moderator Rev. Rick Crouse, vice-moderator, Harold Cantrell, and treasurer, Rev. Ray Raymer. Upon a motion by Rev. Raymer to retain the endorsement clause and cancel payment with a second by Rev. Tony Land the recommendation passed.

Rev. T. A. Lineberger reported upon the South Mountain Baptist Camp by discussing both the program and activities, noting 419 decisions and 166 rededications among campers.

Rev. Crouse introduced Rev. Bobby Stafford from the Baptist State Convention who assured us the staff was ready and desirous of helping local churches be the best they can in all areas of work and ministry. His telephone number was given to urge churches to feel free to seek help and advice in all areas of need. He offered support to churches as they reach out to potential members.

Rev. Joe Owens was also recognized as he emphasized the responsibility and privilege of the state and association in working to save people. He promotes church extension - helping to plant new churches and training associational officers. the convention offers low interest loans to churches to get property and buildings. He reminded us of the importance of supporting the State Missions program and offering. Both men made themselves available for consultation during the dinner hour.

A Missions Committee report was given by Rev. J. C. Bradley. A copy of his report was given.

During the time for miscellaneous business, Rev. J. C. Bradley informed us of the need to remove all equipment and supplies from the already sold office facility by November 22. Temporary office space at Berea is limited, so other provisions must be made. With some space available at South Mountain Baptist Camp, a motion was made by Rev. Jerry Hubbard and seconded by Warren Yancey that we accept this as a temporary situation. Rev. Bradley reported some vandalism, mostly furniture, the off-set printer. Paper will be moved to the Berea office site. The vote was favorable to this proposal.

A letter was read stating that Faith Olive Church had voted to withdraw from the association. This information came from the pastor, Rev. Larry Cain.

There was no proposed budget prepared for presentation, and in consideration of future operation a possible amount of $12,000. was projected. It was anticipated that there would be an increase in telephone bills and that perhaps some funds would be available from the Baptist State Convention. Delbert Walker, Finance & Budget chairman,, recommended that we continue to operate on the budget balance of $5,019.01 for three months.

Rev. T. A. Lineberger publicized the meeting held on July 11 when leaders from 190 countries met in the Philippine Islands to outline a prayer strategy for all the years to 2000, planning to win the world through prayer. North America is scheduled for sunrise on every Saturday and all Christians are urged to engage in prayer at sunrise every Sunday.

A Witness/Giving/Life Seminar is scheduled for September 7, 1990 at Berea Chruch. Delbert Walker will be in charge of planning and publicizing the event as the time approaches. The evening meal will be provided at a cost of $5.00 and will be financed by the State Convention.

With Rev. Cantrell leading and Adene Hicks as pianist, the group joined in singing selected stanzas from the two hymns, "Standing On The Promises" and "Amazing Grace".

Rev. Tony Land introduced as our afternoon speaker Rev. Thade Dowdle, an instructor from Fruitland Bible Institute. Using Luke 19:13 as a scripture reference. Rev. Dowdle spoke interestingly and challenging on the subject "Setting a Church on Fire". He outlined several requirements: exalt the Savior, explain the scriptures, evangelize sinners, and experience the Spirit.

The clerk informed the assembly that some church letters had not been submitted but urged immediate mailing as all letters are important for associational records, even from churches recently withdrawn, but part of the association for the major part of the year.

Rev. Burl Sain was again recognized and gave directions and instructions for the serving of the evening meal. His benediction/blessing closed the afternoon session. In the midst of a beautiful setting and with plentiful and delicious food, a wonderful hour of fellowship and dining was enjoyed by everyone.

Evening

At 7:30 p.m., Rev. Rick Crouse presided as he called to order the evening session which opened with the hymn "He Lives". Harold Cantrell led the singing and Adene Hicks was the accompanist.

Devotional reading from I Corinthians 15:51...and prayer was given by Rev. Ray Raymer. The Registration Committee reported 81 messengers and 14 visitors for an overall attendance of 95.

Tony Land proposed that since no itemized proposed budget was ready for presentation, that we operate under the old budget until a document can be prepared and presented at the next Executive meeting in January, with the amendment that adjustments be made to provide for basic necessities. The Stewardship Committee named was: Delbert Walker, Chairman, Jerry Hubbard, Jack Huffman, and Charlie Townsend. A motion was offered by Rev. Carl Greene that the committee begin work in preparing a budget for adoption in January. Rev. J. C. Bradley seconded the motion and the vote was unanimous.

With no recommendations from the Nominating Committee, the following were elected to serve as officers during the current year: Moderator, Rev. J. C. Bradley, Vice-Moderator, Rev. Jerry Hubbard, Treasurer, Ruby Chapman, and Clerk, Lucille Upton.

Reports from the office submitted by agencies will be included in the annual report.

Rev. Harold Cantrell issued an invitation from Zion Hill to all churches to visit them on October 22 from 3-5 o'clock to view their newly remodeled facility for the children's departments.

Resolutions expressing appreciation and thanks to Walker's Chapel for the delicious meal and gracious hospitality were voiced by Rev. Rick Crouse and shared all the people present.

Adene Hicks announced an upcoming meeting at Zion Hill concerning a proposed radio-active waste site in our associational area and urged our support in opposing the location.

A Committee on Committees was named as follows: Rev. Carl Greene, Chairman, Rev. Clyde Houston, Warren Yancey, Gene Huffman, and Denny Harbinson. Their eminent task is to name both a Nominating and Missions Committee. The recommendation, that due to asssociational problems, a combined annual for 1988-1989 be prepared and distributed to churches. The recommendation was accepted.

Rev. T. A. Lineberger requested a special prayer project: "Pray for all Saints". He offered to come to any church, by request, to present a program for being involved in the project.

The memorial was given by Rev. Tony Land. He read scripture from I Corinthians 15:50, called the names of deceased members from all churches. Another scripture passage from I Thessalonians 4:13 and concluded with prayer.

Asking for a point of privilege, Rev. Crouse, as moderator, expressed appreciation to the Vice-Moderator, Treasurer, and Clerk for services rendered, to the host church for cordial hospitality, to the messengers and visitors for their presence and interest. This was his last official action as retiring moderator and he presided in commissioning the newly elected officers. He urged support of all messengers and churches as we begin a new year of work.

After officially presenting the gavel to his successor, Rev. J. C. Bradley accepted the position of moderator and adjourned the meeting with a benediction.

## PASTORS CONFERENCE REPORT
## 1989

The associational Pastors Conference has been inactive since last summer. We feel it is time to get on with the business of serving the Lord and worshipping together. Therefore, a Pastors Conference is being planned for January 26, 1989 at 7:00 p.m. at the Ham House in Hickory, NC. This will give our pastors time for fellowship together while enjoying a meal, and then have a worship time together with a preacher invited for the evening sermon.

We would further like to see the meal provided to our pastors by the association. Total cost for this conference is estimated at $316.50.

| | | |
|---|---|---|
| 30 men @ 8.05 (including tip) | 241.50 | |
| Speaker honorarium | 75.00 | |
| Total expense | 316.50 | |
| Less Pastors Conference monies | 150.00 | - already in budget |
| Less Pastors Conference cash | 20.00 | -accumulated cash on hand |
| Need approval for | 146.50 | |

These funds are available in the budgeted monies as I (G. Ray Raymer) will not accept an honorarium as provided in the budget for the associational treasurer.

In view of this, I offer the following motion: I move the association pay the expenses for the January Pastors Conference for an amount not to exceed $146.50 in addition to the funds already provided in the budget.

INTERIM DIRECTOR OF MISSIONS REPORT
1989

Report to the Executive Committee of the South Mountain Baptist Association by Garland A. Hendricks, Interim Director of Missions.

My work with you ends at the conclusion of this meeting tonight. You have received me graciously, you have been generous with me in every way, you have spoken frankly to me about the Association, and you have shown respect in our deliberations. During my 57 years in the active ministry, God has blessed my life and work beyond words to describe. My work with you has been like putting icing on the cake. Thanks, and thanks, and thanks.

This report consists of four parts: I. An Overview; II. The Southern Baptist Denomination; III. What You Have Said To Me; IV. Recommendation.

## I. An Overview

In the year 1751, the Charleston Baptist Association in South Carolina was formed with four cooperating churches. The leaders soon became concerned about preaching the gospel to the spiritually destitute people in settlements where there were no churches in the interior areas of South Carolina and North Carolina. Baptist churches in Pennsylvania and New Jersey made up the Philadelphia Baptist Association. They expressed the same concern, and they voted to take up money and send God-called ministers on horseback or by carriage to preach and administer the ordinances in Piedmont Virginia, North Carolina, and South Carolina. Out of this evangelistic and missionary concern, more than two hundred and thirty years ago Baptist churches were begun. The movement spread. Now approximately 36,000 Southern Baptist Churches with 15,000 church members constitute the largest Protestant religious body in the United States.

From the very beginning of our Baptist witness in North America, the local Baptist Association has been a vital part of our Baptist life and work.

Today, in 1989, we have 72 Baptist Associations in North Carolina. Each Association is a group of churches working together in voluntary cooperation for the purpose of advancing God's Kingdom on earth. Our South Mountain Baptist Association consists of 29 cooperating churches. There are 15 Associations in North Carolina which have fewer churches than ours, the smallest consisting of 8 churches. There are 56 Associations with more churches than we have. The largest is the Gaston Association with 102 churches. We have 5,300 church members. One Association, the Mecklenburg, has more than 40,000 church members.

## II. The Southern Baptist Denomination

What is a Baptist Association? It is a group of churches banded together voluntarily for the purpose of promoting evangelism, missions, and Christian training within the

geographical area where they are located. The Association is an anonymous body consisting of messengers from the cooperating churches, who make decisions which they believe to be in the best interest of helping the churches and their pastors and other leaders. All authority rests in the Association. Nobody else has any authority over the local Association. the Association does not have any authority over any church.

The average number of church members in our Association is 179 per church. Each of the local churches, regardless of its membership, has its own ministry which serves the needs of its local community. Its basic resources are the money contributed by its people, the leadership available through its members, their vision, and the depth of their dedication to Christ. Using these resources the church sponsors worship, organizations, programs, and activities. This is the ministry of the church locally.

29 churches bonded together voluntarily into our Association can do more in Christian ministry than only one church. So, we have the strength of 5,300 church members engaging in our ministries of evangelism, missions, and Christian training.

The Baptist State Convention is made up of about 3,500 churches located all over North Carolina, having a total membership of about 1,500,000. 3,500 churches with 1,400,000 members can do things by working together which cannot be done by only 29 churches with 5,300 members. So our State Convention supports Children's Homes, Homes for the Aging, a Baptist Hospital, special evangelism, Woman's Missionary Union, Baptist Men, colleges, Fruitland Baptist Bible Institute, two assemblies, and other activities which serve churches all over North Carolina.

The Southern Baptist Convention consists of nearly 36,000 churches with 15,000,000 church members. This many churches and their members working together can support Christian ministries which only 3,500 churches don't have enough strength to do. So, the SBC sponsors a nation-wide network of ministries including seminaries, evangelism, home and world missions, and special ministries.

This is our Southern Baptist denomination. It is churches voluntarily working together to advance the Kingdom of God throughout the United States and in 114 other countries where we have missionaries. It is one of the greatest Christian witnesses ever undertaken in the world since Jesus Christ was on earth in the flesh!

## III. What You Have Said To Me

You requested that I work with you until today, April 10, 1989. My major responsibility has been to make a study on the situation and recommend how the South Mountain Baptist Association might best undertake to serve our Lord Jesus Christ in the future.

Since last November, I have talked with the pastors and with the deacons in several churches. We have discussed frankly the resources, the churches, the people, the needs of the churches and pastors, and possibilities for the future. We have secured office

space in two rooms, thanks to the generosity of Berea Baptist Church. We have employed a part-time secretary who works a total of 10 hours per week on Thursdays and Fridays. The Pastor's Conference has been re-activated, and we have had 15 pastors present in February and 15 present in March. Our office equipment is in place in the two rooms we use at Berea Baptist Church, and we have activated our regular services to the local churches. Tonight we are to decide what course of action we will pursue in the future.

What have you said to me?

1. You have asked, "What is a Baptist Association?" I have just described what one is. It might be defined as a voluntary ministry by and for churches in a given geographical area.

2. You have asked, "Do we have enough churches to support our Association?" My answer is "yes". There are 15 Associations now functioning in North Carolina which are made up of fewer churches than we have. The smallest of these consists of only 8 supporting churches.

3. You have asked, "What is the Association supposed to do for the churches which support it?" My answer is, "The Association is supposed to sponsor activities and programs which will help the churches and their leaders to do the Lord's work more effectively. This work includes preaching the gospel, baptizing converts, personal witnessing for Christ, sharing information and prayer support with other churches, sponsoring activities, engaging in projects, and promoting spiritual and moral causes which the churches are concerned about. So, in effect our Assóciation is the participating churches pooling their leadership, their concerns, and their finances so as to help each other become stronger churches and to develop more Christ-like people who win souls to Christ all over the world through evangelism and missions."

4. You have asked, "What is a Director of Missions supposed to do?" My answer is, "He is a leader whom the Association calls to work with the churches and their pastors in coordinating the resources and the leadership of all of the churches so as to strengthen the ministry of each church. He accomplishes this by working closely with each pastor and each church, sharing with all of the churches information about what each church is accomplishing in Kingdom ministries, calling attention to helps offered by the State Baptist Convention and the Southern Baptist Convention. He works with each committee named by the Association to help carry out the ministry assigned to that committee."

5. You have said to me, "This Association is made up of rural churches, located in rural communities, whose people are country people by background, residency and interests." My response is, "This means that we have a unique opportunity to place a major emphasis on the ministry of rural churches for rural people, using all available resources within the denomination to assist rural pastors in leading their people."

6. You have emphasized the necessity for our Association to minister fairly to the needs of each church and each pastor, regardless of the size of that church or its financial strength. This involves the concepts of the strong helping the weak, and that each church, each pastor, and each church member is important in the sight of God.

7. You have asked, "Is the amount of money contributed by the churches sufficient to support a Director of Missions and one office secretary?" My response is, "To be successful, your Director of Missions will of necessity have to be a skilled specialist in dealing with the pastors, local church leaders, local church members, denominational workers, news media, and the general public. It is not easy to find a person with such qualifications, but it is possible,. God calls and our schools help develop such leaders. I believe a carefully guarded investigation by the Search Committee, backed by sincere prayers of the pastors and their congregations can find such a God-called leader. It must be understood by everyone that the Association's budget at present will not afford a full-time Director plus a full-time office secretary. It is my opinion that you must be realistic and begin future ministry with what you can afford. This means that of necessity you will have to settle for a Director and a secretary who can work on a part-time basis.

Where might such a Director be found? A retiree who has regular income from other sources. A bivocational minister who is a tested and successful administrator and leader. A devoted lay leader who owns his own business or works at a job which would make it possible to carry out the responsibilities here. A qualified person who has sufficient income from investments to support him. God has His own ways of providing leadership. On a basis of prayer and faith, we are to encourage our Search Committee in its quest for a leader."

8. You have expressed concern that beginning ministers be assisted in their efforts to secure an education and to find opportunities to preach. My response is, "This involves sharing ideas about where and how study opportunities are available, how scholarship help may be found, and what schools provide the best study program for a particular person whom God has called to be a minister. It will be appropriate for the Director of Missions to maintain in the office a file of resumes of ministers who are currently available so that Search Committees and active pastors may come to the Associational office for information about prospective supply preachers and/or pastors or other staff ministers."

9. You have asked me, "What kinds of help can we get from the Baptist State Convention?" My response is, "At the present time we receive each month a check in the amount of $366.00 to apply on the salary of the Director and the salary of the secretary. One of our pastors receives a pastoral aid check each month. We receive $1,000.00 each year to be applied to the costs of our summer resort ministry. It is a policy of the Baptist State

Convention to assist a needy association with the understanding that the Convention will decrease the amount of its aid each year while the Association increases its ability to pay its own way. Also, I have discussed the future prospects for our Association with several of our leaders at the Baptist State Convention. They have assured me that they will go all out to help us in whatever ways they can, both financially and in the promotion of the ministries of our pastors and churches."

10. Many of you have expressed a desire for a new era of mutual trust and heart-felt fellowship amongst our pastors. My response to this concern is, "In today's sin-sick world, where there is so much confusion and misunderstanding, every God-called minister who is serving as pastor of a congregation of God's people, needs a support group to help him deal with both the practical and emotional problems which plague every church. A strong Pastor's Conference, where all of the pastors pray earnestly for each other, share with one another their joys and sorrows, trust each other, give each other their spiritual and moral support, and understand each other--such a fellowship of pastors constitutes a real support group and each participating pastor is a stronger and wiser individual and leader. I believe that such a fellowship is possible for all pastors who are willing to let the Holy Spirit prevail in our relationships."

11. You have asked me, "Should the name of the Association be changed?" My reaction is, "Changing the name would involve legal action concerning properties and our relationship to the State and Southern Baptist Convention. My suggestion is that the name be retained as 'South Mountain Baptist Association'. However, I am of the opinion that it might be helpful to add a logo to the name, so that all written materials issued out by the Association would read 'South Mountain Baptist Association, Ministries By and For Rural Churches'. This would clearly indicate the location of our churches in rural communities, the nature of our people historically and at present, and the distinctive need for the kind of assistance needed by our pastors and lay leaders in church growth and development."

12. You have asked, "What should be done about the property which is owned by the Association?" My reply is, "A committee of responsible persons is now wrestling with this matter, and we can expect them to come up with a recommendation after which the Association will decide what to do."

13. Some people have asked,"Should we dissolve the Association?" My response is, "Neither the pastors nor the deacons who have discussed this with me favor such action. There has been a clear expression that we need the ministries of an Association if we can make it helpful to all of the pastors and churches."

14. A question has surfaced, "Can we hold meetings in different localities throughout the area where our churches are?" My suggestion is that we should ask our leaders to keep this question in mind, and set the time and place for meetings where it is best suited for space and convenience for attendance by all our people.

This might apply to both Pastor's Conferences and all other gatherings.

15. There has been some concern about the re-activation of the full ministries of the Association as soon as possible. My reaction, "I assume that after our decision tonight about a future course of action, all leaders including the Director, each pastor, and members of all committees will move forward as quickly as possible."

16. There has been an expression of concern that we adopt some long range goals and objectives, perhaps in the form of a Long Range Program. My response is, "I think it is wise to plan ahead. One possibility would be to name a Long Range Planning Committee of five qualified persons and request that they study the needs of our pastors and churches, then bring a plan of action back to the Association for consideration as soon as possible."

17. You have asked, "Do we have enough capable leaders to have a good Association?" My answer is, "I believe you do. I have been impressed at this point. Within the bounds of the Association you have persons, male and female, employed in just about every type of responsible work there is in today's world. You are located in an industrialized area of North Carolina where the job opportunities are many, and where they require intelligent responsible persons, and where the remuneration is more adequate than in other places. Each church has highly intelligent persons whose secular job opportunities provide insights which equip them for competent leadership roles both in their local churches and in the Association. A sound Associational ministry can utilize the services of these people."

## IV. Recommendation

Now this brings me to the point of recommending action for the future. This is a frightening responsibility, and I approach it humbly. I am neither wise enough nor good enough to tell you what to do. My best qualifications for doing what I am about to do are:

1. Since 1932, or for the past 57 years, I have been a practicing ordained minister, always active in the Baptist Association where I presided.
2. In 1981 and 1982, I was Interim Director of Missions in the Yates Baptist Association in the Durham area.
3. Since 1950, or for the past 39 years, I have worked with pastors and churches as a teacher and as a field worker trying to help ministers find places to serve and helping church search committees find pastors and other staff ministers. I think I understand the dynamics of pastor-church and church-denomination relations.
4. Since November, 1988, I have been studying the South Mountain Baptist Association through personal conferences with the pastors and deacons, and I have explored how the Baptist State Convention, the Home Mission Board, the

Sunday School Board, Fruitland Baptist Bible Institute, and our Baptist Colleges and seminaries might help our pastors and churches. This has involved a great deal of study, earnest prayer, and careful evaluation.

I recommend to this body, the Executive Committee, that the South Mountain Baptist Association pursue the following course of action into the future:

Section 1

We, the duly elected members of the Executive Committee do here and now re-dedicate our lives, and symbolically, the churches which elected us to serve in this capacity, to follow to the best of our knowledge and ability, the Lordship of Christ our Savior, who is the Head of the Church and of our Association of churches; and we promise to pray and follow the leadership of His Holy Spirit as best we can understand it; and we pledge that we will strive to work together in Christian love and service and in mutual trust for the strengthening of our Association.

Section 2

We agree to continue the ministries of our Association into the future in an effort to advance the Kingdom of God through our churches and to help our pastors and other church leaders to carry out their calling to serve Christ. We believe that all of us need what the fellowship of our churches working together can do.

Section 3

We want the name of our Association to represent truly who we are and what we do. In order to express this clearly we agree to add a logo (identifying symbol) or motto (identifying character) to the name "The South Mountain Baptist Association" so that all printed references to the Association will add these words; "Ministries By And For Rural Churches".

Section 4

We agree to budget and disburse all money contributed for the financial support of the Association realistically so as not to incur any indebtedness except for such special causes as may be duly authorized by vote of the Association in its annual meeting or at a duly called special business meeting.

Section 5

It is obvious that as soon as it can be arranged, the office of the Association should be located as near as possible to the center of the geographical territory embraced by the churches which constitute the Association. Tonight, we express deep

gratitude to the Berea Baptist Church for providing office space in two suitable rooms during this period when we are exploring what to do about the property owned by the Association. We await a report by our committee at the appropriate time.

Section 6

We agree that the Association will minister to and on behalf of the churches by means of the leadership of a qualified Director of Missions and the services of one office secretary. These leaders are to be selected in keeping with the will of this body. Since the financial resources of the Association are limited at the present time, I propose that it be understood that both the Director and the secretary be employed on a part-time basis, and that their leadership be considered "full-service ministry on a part-time basis." This is interpreted to mean that the services of and to the churches, with the help of the capable leadership of our pastors and lay leaders, will be as broad and helpful as possible under the circumstances. It is understood that the ministries of our leaders and the Association are to be improved and broadened in keeping with the financial resources provided by the participating churches in the future.

Section 7

It is understood that the Director of Missions is to work closely with all of the pastors and the officers and committees of the Association at all times in trying to help each pastor and each church to advance God's Kingdom on earth.

I respectfully submit this report and this recommendation on this, the tenth day of April, 1989.

Respectfully yours,
Garland A. Hendricks

SOUTH MOUNTAIN BAPTIST CAMP
1989 CAMP REPORT

This has truly been a year of activity at South Mountain. As we conclude 32 years of ministry here at "the camp", we must pause to breathe a heartfelt "thank you" to our blessed Savior Jesus Christ, and also to the many friends of the ministry of South Mountain Baptist Camp and Retreat Center.

During the Winter and Spring the Faith, Fellowship, Oak Grove, and Turentine Churches of Statesville along with the Sweetwater Church of Hickory, and the Lincoln Avenue and Antioch Churches of Lincolnton gave of their time and funds to help restore and renovate some of the cottages. Other individuals gave their time during work days in preparation for the 1989 camp season.

The summer camp season consisting of 8 weeks was attended by a total of 1,161 girls and boys. Of this number, 166 rededicated their lives to Christ, 78 came accepting Jesus as Savior and another 25 came feeling God was leading them into full - time Christian service. During the week of June 18-24, the camp was leased to the NC West District of the Wesleyan Methodist Church. They reported another 150 decisions. Counting all groups your camp was used by 2,361 men, women, boys, and girls and there were a total of 419 decisions reported in 1989. We know that you join us in rejoicing at what the Lord has done through the ministry here at South Mountain.

Please keep your camp and retreat facilities in mind when planning this year's activities for your total church family. God bless you, and we need your prayers and support as we look ahead to 1990.

## CONSTITUTION

### ARTICLE I - NAME AND MEMBERSHIP

SECTION 1.This body shall be known as the South Mountain Baptist Association of North Carolina.

SECTION 2. The Association shall be composed of members from Missionary Baptist Churches.

SECTION 3. Any Baptist Church may be admitted into this Association upon recommendation of the Committee of Petetionary Letters and Constitution of Churches and the majority vote of members present at any Executive Committee Meeting or Annual Meeting of the Association.

SECTION 4. Any church may, at her discretion, withdraw from this body.

SECTION 5. This Association may at any meeting, after investigation and report of a duly authorized committee of the Association, by majority vote declare a dissolution of union with any church deemed corrupt, either in doctrine or practice.

SECTION 6. The Association shall consist of messengers who are members of the affiliated churches as follows:

each church is entitled to three messengers for the first fifty members, and one additional messenger for every fifty members or major fraction thereafter. The Enrollment Committee shall register each church's allocated messengers, whose names must be submitted to the Associational Clerk at least one week prior to the Annual Meeting. Officers of the Association and pastors of churches are not considered messengers unless included within churches allocated number of messengers.

SECTION 7. At the Annual Meeting of this Association, a Moderator, a Vice-Moderator, a Clerk, and Treasurer shall be chosen by vote and hold office until their successors are elected. A Moderator shall not be eligible to succeed himself after having served in office for two years.

SECTION 8. The meetings of the Association shall be held annually beginning on Thursday after the second Sunday of October unless otherwise ordered by the Association or the Executive Committee.

### ARTICLE II - PURPOSE

SECTION 1. The prime purpose of this Association shall be to counsel together for the enlargement and strengthening of God's Kingdom and to promote unity and growth among the churches composing it.

SECTION 2. It shall be the purpose of this Association to enlist all of the churches into full cooperation with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Evangelism, Christian Education, and Social Service.

## ARTICLE III - POWERS AND PREROGATIVES

SECTION 1. The Association, when convened in meeting, shall sit as an advisory council and shall have no power to infringe on any of the internal rights of the member churches. It may advise, however, with the member churches and recommend measures of usefulness for their adoption or rejection.

SECTION 2. When grievances occur between any member or minority group of any church which is a member of the Association, the Association, the Executive Committee thereof, or the committee designated by one acting for either of these bodies, may advise or give aid in manners which do not infringe on the rights of the local church, and this only on the invitation of the individual or group involved.

SECTION 3. Any church found to be unfaithful to the faith and practices common to the Association shall be encouraged to correct such errors. If the conduct of said church is not corrected and is of such a nature as to alienate said church from the orderly and faithful churches of the Association, the Executive Committee of the Association can recommend that fellowship be withdrawn from said church, and upon a majority vote of the messengers in an annual session, fellowship with such church can be withdrawn.

SECTION 4. For the mutual benefit of the churches composing this Association, it shall be the duty of each church to forward with messengers a written communication to each annual meeting, specifying the names of messengers, statistics of the church for the foregoing year, giving information concerning its spiritual condition and stating the names of the pastor and other licentiates or ordained ministers connected with the church.

**PROCEEDINGS**

**South Mountain Baptist Association**

Eightieth Annual Session

October 18, 1990

When plans were being formulated, it was decided that the meeting would be held at Mt. Gilead and the registration would begin at three o'clock. This extra hour before the scheduled opening allowed messengers from various churches a chance to exchange greetings and enjoy a time of Christian fellowship. In the church vestibule materials consisting of Books of Reports, financial statistics, office-blueprints and programs were distributed. The enrollment committee enlisted both messengers and visitors as well as state representatives. Those serving on the committee were Travis Tweed, Tonja Owens and Marsha Shimpock and we appreciated their service.

Rev. J.C. Bradley, moderator, sounded the gavel at four o'clock and called the first session to order. The group joined in singing the hymn "Blessed Assurance" with Harold Cantrell leading and Jane Bradshaw as pianist.

Reading from Romans 5:1, Rev Clyde Houston led in our devotions with timely comments and concluding with prayer for our Association, our State Convention and our Armed Services.

Rev. Billy Mace, pastor of Mt. Gilead extended a warm and cordial welcome to all who were present and expressed concern as we carry on Associational business and that in all things we give praise to God for His blessings.

Rev. Bradley moved that the printed programs be adopted as the agenda for the program. A motion, a second, and a favorable vote was expressed by the messengers. Rev. Shaffer then introduced the following new pastors: Rev. Gary Huntsinger of Pisgah, Rev. Bill Jenkins of St. Paul, Rev. Billy Mace of Mt. Gilead and Rev. Tony Dyson of St. John, even though absent.

The Book of Reports on Denominational Institutions included information submitted to and prepared by the office staff. Rev. Shaffer stated that reports were duplicated and that any comments be limited to three minutes each. Ruby Chapman as Children's Home representative reported that the special offering now taken in May would revert back to Thanksgiving in an effort to increase funds for greater support. Rev. T.A. Lineberger informed us of summer activities at South Mountain Baptist Camp. We were then informed that Associational reports would be presented at the evening session.

During the time alloted for Miscellanious Business Rev. Bradley allowed the following proposals to be presented:

(1) That the Chairman of the Trustees be added as a regular member of the Executive Committee. Following a motion by Gene Huffman and seconded by Ken Houston, the suggestion was accepted.

(2) The Clerk requested contact with representatives from churches whose annual church letter had not already been submitted.

(3) Jack Huffman reported on the recent acquisition of Associational property on Highway #18 - 5.6 acres for $12,000.00, the digging of a 250 foot well with drilling costs of $1500.00 which produces 4 gallons of water per minute. He informed us that paving would be necessary in the future, but presently gravel will suffice for the time being. He called attention to a proposed blueprint for an office facility 36'X52' with a porch 8'X16' across the front. He proposed the change of location for several windows and asked permission to use $35,000.00 from the treasury to begin construction shortly on a concrete block structure with a brick front, heated by a heat pump at an estimated cost of $40,000.00. He proposed the raising of additional funds by churches to supplement costs.

(4) Rev. Bill Jenkins as chairman of the Constitution and By-Laws Committee proposed revision of our present document with the new Constitution being prepared and presented a year from now. He also proposed the addition of two committee members, a male and a female, to aid in drafting a new guide for our Association. Rev. Jenkins urged us to be much in prayer for Christian work in Russia and the translation of the Bible into the Russian language.

As chairman of the Finance/Stewardship Committee, Delbert Walker presented the proposed budget for the upcoming year. To allow time for consideration and evaluation the matter of adoption will come up in the evening session. He reminded all churches that the financial year runs from July 1 to June 30 to coincide with IRS and State fiscal year dates and urged cooperation of all church treasurers in sending in reports to the Associational treasurer.

With Harold Cantrell leading and Jane Bradshaw accompanying the group joined in singing the hymn "At The Cross".

An introduction was made and we were urged to give careful attention to Rev. Darrell McGuire as he delivered the annual message which he entitled, "Behold What Manner of Love." Reading Scripture from I John 1:1 and verses following he brought an inspiring message urging churches to make love the basic foundation of our fellowship - talking about it and practicing it as we forgive one another and stay in the right relationship with God.
talking about it and practicing it as we forgive one another and stay in the right relationship with God.

The group then joined in singing all stanzas of "Amazing Grace" as Harold Cantrell led and Jane Bradshaw accompanied.

John Shaffer, Director of Missions, introduced Linda Whisnant, office secretary and on our behalf expressed appreciation for her efforts and dedication.

Rev. Mace was recognised to give directions to restfacilities and plans to be followed in serving the evening meal. Following his benediction/blessing we proceeded to the fellowship hall where we enjoyed a bountiful and delicious meal and good Christian fellowship.

THURSDAY NIGHT

When messengers reassembled in the sanctuary for the evening session Rev. Jerry Hubbard, Vice-Moderator, presided and called the meeting to order. He expressed appreciation to Mt. Gilead for their hospitality in hosting the sessions. He then expressed appreciation to Rev. Shaffer for his leadership as Director of Missions, to the ladies of the church for their wonderful meal preparation and service, to the Enrollment Committee for their fine work, to Delbert Walker who is retiring this year after years of valuable leadership in financial matters, to Rev. Rick Crouse, recently resigned pastor of Berea, who served faithfully as Sunday School Director, and to all messengers and visitors for their presence and support.

The evening session began with the group singing, "Have Faith In God" with Harold leading and Jane as pianist.

Reading from II Timothy 2:15 Rev. Hubbard conducted devotional thoughts with appropriate comments and challenges to be good workmen who do not need to be ashamed and concluding with prayer.

The Enrollment Committee reported an attendance of 99 messengers, 19 visitors for a total of 118. The Committee was once again thanked for a job well-done.

Delbert Walker called attention to the proposed budget presented in the afternoon session and gave time for questions and discussion. The prepared report is included elsewhere in the annual and the question concerned possible electrical expense. This is an estimated figure but seemed reasonable. Following a motion for adoption by Rev. Carl Greene and a second by Jerry Buff the body voted to accept the report.

The time allocated for Associational Reports included the following:

(1) the proposed calendar of activities

(2) the Treasurer's report by Ruby Chapman showing a balance of $41,349.09.

(3) the beginning of a "Computer Fund" with an amount of $100.12 given as a donation by Rev. Shaffer's brother in law. A motion was made by Rev. Bill Jenkins and seconded by Rev. R.J. Lovins to continue the drive for funds to secure a computer for office use.

(4) Rev. Rick Crouse called attention to the Sunday School report and announced a workshop had been conducted at Philadelphia for the purpose of seeing and evaluating available literature.

(5) The Clerk urged churches to elect and report church representation for the Executive Committee. This was omitted on church letters.

(6) Kenneth Houston moved adoption of the Youth report included in the Book of Reports.

(7) the Missions Committee report was prepared and submitted by Vester Shull who called attention to the printed information.

(8) Rev. J.C. Bradley reported that the Seminary Extension program was temporarily suspended but would hopefully be resumed when the office is completed and available for use.

The Memorial thoughts included Scripture reading from both the Old and New Testaments by Rev. Donald Willis of Mt. Vernon. The Clerk then read the names of members deceased from the various churches. Following a moment of silent prayer and meditation Rev. Shaffer led in a memorial prayer.

A motion by Jerry Hubbard and a second by Cecil Cook resulted in the acceptance by a favorable vote of the Committee on Committees report as presented by rev. Bill Jenkins who urged active participation by all those who had agreed to serve.

The Nominating Committee report as presented by Rev.Harold Cantrell showed an incomplete slate of officers. Two vacancies were filled by volunteers as follows:

Sunday School Director - Rev. Harold Cantrell

Vacation Bible School Dir. - Jerry Buff

These two positions completed the entire list of incoming officers and the messengers' vote favored acceptance of all those named following the motion by Charlie Townsend and a second by Kenneth Houston.

During the time of Miscellaneous Business the matter of naming the Chairman of Trustees as a member of the Executive Committee was accepted when a motion to this effect was offered by Rev. Rick Crouse.

Rev. Jerry Hubbard offered a motion and Michael Cloninger seconded the proposal concerning the recommended construction of a new permanent Associational Office. Some questions arose concerning finances, increased office time, greater use of facilities, review of proposed budget with expected increased gifts, possible need for some security system. When all questions had been voiced and resolved, the proposal for acceptance was put to a vote. With only three votes in opposition, the huge majority favored the project.

When the question arose concerning the return to a two day annual session as required by our constitution, it was ruled that no vote would be required to get back to the former schedule before the disruption. Delbert Walker led in settling the matter.

A report of the Time, Place and Preacher Committee established this schedule:

Thursday, October 17, 1991, Shoup's Grove with Rev. Terrill Crump as speaker.

Friday, October 18, 1991, St. Paul.

A motion too accept by Rev. Gary Huntsinger with a second by Ola Gantt led to a favorable vote.

Rev. Gary Huntsinger offered the report of Resolutions:

We wish to express gratitude to God for His guidance and grace during these eighty years of the South Mountain Baptist Association, to Mt. Gilead for the use of their facilities and for the wonderful meal prepared and served, to our Moderator; Rev. J.C. Bradley and his co-workers for a job well done, and to our Director of Missions; Rev. John Shaffer for his leadership in leading our Association to do God's will in these critical days.

Appointment to members of Committee on Committees resulted in the naming of Rev. Tony Land; Chairman, Rev. Harold Cantrell, Cecil Cook, Rev, R.J. Lovins and Rev. Gary Huntsinger.

Installation service was conducted by Rev. John Shaffer and consisted of two parts: the vows taken by elected officials to execute their duties and fulfill obligations, and a pledge of messengers to support those elected to lead in all areas of work.

The climax of the evening session was the address by Rev. John Shaffer, Director of Missions, who expressed appreciation to Rev. Rick Crouse for years of service to the Association as he is now leaving, and also to Rev. J.C. Bradley for his leadership as Moderator. He then read Scripture from Isaiah 41:1-10 and spoke on the theme "Pulling Together". His comments were inspiring and challenging as he proposed the proper arrangement of our priorities to God, the Church and then to Missions. He closed his stirring message with prayer.

The benediction to finally conclude the meeting was given by Rev. R.J. Lovins of Mulls Chapel and messengers bade each other good-bye as we returned to our own churches to carry on God's work in our own communities. Let's make time count for Christ's Kingdom.
